

Partner Responsibilities

American Explorers is a program of The Arthur M. Blank Family Foundation focused on youth development, leadership, outdoor skills, and natural resource conservation. The Foundation invites nonprofit organizations to utilize the American Explorers Montana Basecamp and Challenge Course for your youth-based, outdoor leadership, and natural resource conservation programs. The Basecamp and Challenge Course are available to regional nonprofits free of charge as part of our ongoing commitment to promote positive change in peoples' lives and build and enhance the communities in which they live.

In exchange, we request three things from our partners:

1. Organizational Liability and Insurance -- A certificate of insurance demonstrating General Liability coverage and Workers Compensation & Employers Liability coverage.

Prior to your arrival: please email the following two items to email below:

- € Copy of organization's Certificate of Insurance (minimum \$1,000,000 per occurrence/\$2,000,000 aggregate), naming "Mountain Sky Guest Ranch, LLC" and "The Arthur M. Blank Family Foundation" as additional insured.
- € Copy of organization's Workers Compensation & Employees Liability coverage.

2. Individual Participant Waivers -- All participants are requested to read and sign our Acknowledgment of Risk and Release/Waiver of Liability (available as PDF download on website).

Please have hard copies of waivers signed and ready to be submitted on arrival.

3. Assessment of Experience and Photos -- Share with us how your Basecamp/Challenge Course experience contributed to your program and your participants. We request you: A) fill out a short assessment, B) share a "story" -- a brief statement of how you used the Basecamp and one or more learnings that the experience imparted, and C) provide one or more photos of your experience, including a "team" photo that we will hang in the main lodge.

Please see Basecamp Assessment of Experience (available as WORD and PDF download on website).
